WHAT YOU'LL HEAR

● Transformed Operating Model

A transformed model of Microsoft managed services — multi-tenant management and a Good-Better-Best framework, delivering security at lower cost and greater scale.

● New Microsoft Defender & Purview Suites

Enterprise-grade XDR and data compliance for Business Premium — Defender for Endpoint P2, Cloud Apps, Insider Risk, and DLP — on the pathway to Purview and a scalable SOC.

● Exclusive Microsoft Investment Offer

Go-to-market investment — programmes, funding, and people, revealed on the day to attendees.

Wind down from 3:30 PM

canapés, drinks, and great
conversation with your peers.

Featuring speakers from Microsoft · Inforcer · Distributors & Supporting Security Vendors
